DIPLOMA IN EARLY CHILDHOOD EDUCATION

KPT/JPS(N/143/4/0020)(MQA/FA9552)06/23

Offered in: Kuala Lumpur Campus

Duration: 2.5 Years

Study mode: Full-time

Intakes: January, May, September

Does teaching children excite you? If you have always longed to make a difference in the lives of children and play a part in educating them, then consider UCSI College's Diploma in Early Childhood Education.

Other than our parents, we also look up to our teachers. Our teachers are our mentors; our guides and counsellors during those significant years when we first started to form our individual views and opinions.

By enrolling in this programme, you will learn various aspects of child development and you will also acquire professional skills to engage in teaching-learning processes and experiences, curriculum planning and various aspects of management in Early Childhood Education.
